Dear Mr. Fazzino,

First and foremost, I would like to extend my deep appreciation for your willingness to get involved in our community. As a police agency, we realize we cannot do it alone and so we are extremely grateful for citizens like yourself who do not hesitate to become involved.

Under normal circumstances, our agency takes great pleasure in recognizing citizens who go above and beyond at our quarterly awards ceremony; however, due to COVID-19, all of our events and activities have been suspended indefinitely. Therefore, in recognition of your generosity and selflessness, it is my privilege to present you with this Community Service Award on behalf of the Delray Beach Police Department.

Again, please accept this commendation as a small token of our deep appreciation of your willingness to give back to your community and our great city. Your partnership is vital in our mission to be *"One Delray. One Community. One Police Department."*

Sincerely,

Javaro A. Sims  
Chief of Police

## COMMUNITY SERVICE AWARD

**ANDREA FAZZINO  
PAUL FAZZINO**

**JANUARY 2020**

As the founders of Beach Keepers, Inc., a non-profit organization, you provide a free service to our community by cleaning high traffic areas in the city (i.e. beaches, parks, streets and waterways).

You created the program, which allows the homeless to volunteer to help you clean. In return for their volunteer time, you give the homeless individual a \$35 gift card to the Dollar Tree so they can purchase food, hygiene products and other essentials. This outstanding program takes homeless individuals off the street for the day and allows them to be contributing members of society and earn a sense of pride in the work they are doing. The Delray Beach Police Department Outreach Team has seen a tremendous impact on the streets because of this excellent program.

You truly represent "One Delray. One Community. One Police Department." and we thank you for making a difference in our community.

This 21<sup>st</sup> day of April 2020
